VINCENTIAN LIFELONG ENGAGEMENT MODEL

The Vincentian Lifelong Engagement Model shows Vincentian formation over time. The Vincentian vocation entails growing in, and living out, the Universal Call to Holiness and Mission. We are all called to be Missionary Disciples on the path to Sainthood—in our Vincentian life and beyond.

1. RECRUITMENT
   - Creating positive awareness of the Society in your parish and community and actively inviting others to join

2. ADMISSION
   - Accompanying a new or potential member through the inquiry, discernment, and early formation process, using the Admission Checklist for New Members

3. VINCENTIAN FORMATIONAL MATURITY
   - Achieving a thorough understanding of the Rule and Manual, engaging in Vincentian work, & participating in ongoing formation

4. MISSIONARY DISCIPLESHIP
   - Embracing fully the Universal Call to Holiness and Mission in all aspects of our life to build up the Church

5. SAINTHOOD
   - Rejoicing in the reward of eternal life in heaven, like our patron & other Vincentian saints and blesseds
